ACMEC Trust – (Adhiparasakthi Charitable, Medical, Educational & Cultural Trust)

Being located in the holy town of Melmaruvathur, the college is easily accessible and has garnered patients from nearby districts. The Scenic location and the pristine ambience, coupled with state-of-the-art facilities and the services of dedicated, experienced and competent team of dental specialists has ensured that the patient flow in the college is ever increasing. From our smartboard equipped classrooms to highly sophisticated pre-clinical and clinical departments, the students are given complete training to handle patients in clinics.

The college has established itself among the most trusted names in Dental education across the country and abroad. The institution has been certified with ISO 9001:2015, NABH and NAAC accreditation. The institution has MOU with Sri Lanka Dental Council to admit international students in pursuing undergraduate dental education.

The Trust organizes periodical social activities like building homes for the poor, providing water supply, housing colonies for workers, renovating dilapidated temples, distributing food and clothing to families affected by ravages of nature, donating books and clothing to poor children, giving crutches and other help to the handicapped, assisting poor farmers and artisans with living crutches and other help to the handicapped, assisting poor farmers and artisans with implements, running crèches and orphanages for children, homes for the aged, helping widows and destitute, imparting training in crafts to the unemployed and impoverished, conducting free marriages for the poor, and providing spectacles to the poor, and performing last rites in ceremonial manner for orphans and weaker sections.

Values

People	This is our greatest asset and we ensure that we have the services of highly experienced physicians, surgeons and well-trained support staff who work as one team.
Services	We pride ourselves in providing compassionate and individualized care with the right attitude to our patients in a safe and ambient environment.
Facilities	We ensure that we have the support of the advanced technology and procedures in the healthcare industry to carry out our day-to-day activities in service delivery.
Innovation	We are committed to a supportive environment that encourages new ideas and creativity.
Excellence	We pursue a high standard of excellence and honesty in everything we do.

Goals

- To help the students to understand the nuances of the profession in emerging as a novel personality to care for the community.
- To ensure the students to face challenges not only by teaching but through interactive learning and hands on sessions, both on models and in the clinical scenario (simulated interactive pedagogy).
- To prepare the student to meet future challenges in the profession and to be role models in the society.
- Training programs are structured such as that it ensures the students imbibe and assimilate the best practices on par with the global standards.
- Comprehensive dental care and outreach programs to ensure prompt and free dental care to all sections of the population.
